

# CEDARWINGS

laundry gets compressed up to 75% in a separate pocket, isolating it from the rest of the clothes. The company's latest carry-on, the Genius Pack Supercharged, was launched on a crowd-funding campaign in January 2019. [geniuspack.com](http://geniuspack.com)

## Around the World *what's ON, what's HOT*

### *Know When to Fold Them*

*There's a new and easy way to pack your suit when you travel. PLIQUO, a folding travel garment bag, is cleverly built and beautifully designed. It features an ingenious folding system, including a folding clothes hanger, enabling you to pack your suit to the size of a laptop bag without it creasing. PLIQUO also fits in any carry-on luggage, including backpacks and briefcases, helping you save up some space whenever you travel. [pliqobag.com](http://pliqobag.com)*

### Perfect Tea

Making a great tasting cup of tea is never easy, that's why Qi Aerista was created. Combining traditional tea-brewing philosophy with modern technology, this Wi-Fi-
