

The Cotton Story

## The Pliqo Bag

The Pliqo promise is straightforward: you want by no means journey in your swimsuit once more, irrespective of how mild you're packing. This intelligent little bag allows you to fold and pack your swimsuit, carry it as hand baggage, and unpack it in excellent situation, able to impress at your assembly or social occasion. When closed, the Pliqo bag measures solely 39 cm x 30 cm x Eight cm. The bag stows away in each kind of cabin bag or case, and plenty of cycle panniers, backpacks, messenger baggage and even briefcases – making the morning commute or night date equally trouble free. It's all because of a patent pending folding garment hanger and magnets that forestall your formalwear from creasing, even on the longest journeys.
