## Fold Your Suit to The Size of a Laptop Bag

In just over 18  
months, nearly  
2,500 bags  
have been sold  
to customers  
in 55 countries

The PLIQO Bag enables you to fold and pack your suit to the size of a laptop bag- Carry it as hand luggage and unpack it crease free. When closed, the PLIQO bag measures only 16 x 12 x 3 inches. The PLIQO bag stows away in every type of cabin bag or case, and many cycle panniers, backpacks, messenger bags and briefcases. It's all thanks to a patent-pending folding garment hanger and magnets that prevent your formalwear from creasing, even on the longest journeys.
